USJ COMMUNITY FELLOWSHIPS APPLICATION PROCEDURES

As an international university, USJ is committed to providing equal opportunities to all its students, and this is reflected in the scholarship principles and operations.

There are two channels for the full time USJ students to apply for the USJ Community Fellowships. The University of Saint Joseph will evaluate the applications on a case-by-case basis and all information will be kept confidential. USJ community fellowships will be granted based on the Deans' recommendation and students can still apply for fellowships through OSAA.

1. Direct Application to OSAA-for those who would like to complete and submit the USJ Fellowship Application from with all the required documents to OSAA directly.
2. Recommendation from Deans- Deans from every faculty of the University would identify the potential fellowship applicants or students who do not want to apply through OSAA, students with financial problems can approach the Deans directly.
