USJ COMMUNITY SCHOLARSHIPS

As an international university, USJ is committed to providing equal opportunities to all its students, and this is reflected in the scholarship principles and operations.

The USJ Community Scholarships serve the mission and vision of the University to enable all its students to fulfil their potential in learning and achievement; scholarships are part of the process of accomplishing these. Scholarships are both incentives and rewards for academic and other achievements in the University; Scholarships can be awarded with or without application procedures from students.

ELIGIBILITY:

Recipients must be active USJ active students with no overdue balance in current academic year.

Recipients must be full time USJ students for those who are in year 2 or above, they should not have retaken modules and their minimum GPA must be at least 14/20.

APPLICATIONS AND SELECTIONS:

It is not necessary for students to apply for USJ Community scholarships as the University of Saint Joseph selects the recipients according to the values and purposes defined by the donors, with the confirmation of the programme coordinators. Please refer to the USJ Community Scholarships List to check the criteria defined by the donors.
